

Attends® Bib

The Attends Bib is designed to protect client's clothing.

- 1** Blue waterproof back sheet to protect against leakage.
- 2** Top sheet that absorbs any spills quickly.
- 3** A low neckline provides a comfortable but secure fit around the neck.
- 4** Fixation tapes on the shoulders allows the bib to be secured to clothing and helps to keep the product in place during use.
- 5** A pocket which can be turned inside out to reduce the risk of spills on to client's clothing.
