### Question:

**When do I use Attends Stretch Fit?**

### Answer:

Attends Stretch Fit hold Attends Contours 5 to 10 in place. They can also be used with other Attends pads, like Discrete 3 and 4 if close fitting underwear is not available. It is important to keep the pad close to the body, to ensure fast acquisition and reduce the risk of leakage.

**What makes Attends Stretch Fit so special?**

Attends Stretch fit is designed to resemble normal underwear. Attends Stretch Fit is made of soft, elastic material and comes in 3 different sizes.

**Attends Stretch Fit** is underwear designed to be used in conjunction with Attends Contours or Rectangulars to provide optimum comfort and security for improved product performance. Attends Stretch Fit is designed to look and feel like normal underwear. The pants are made of a soft, elastic material that gives a perfect, comfortable fit. The pants are available in 3 different sizes: Small, Medium and Large and are suitable for both men and women. A coloured strip on the waistband helps to determine the correct size. All Attends pants are white for extra discretion.

Washing Instructions: Washable up to 50 times at 60-95°C.
